Aspiring Full Stack Web Developer with a passion for creating clean and intuitive user experiences. Highly motivated, self-starting individual that is skilled in writing clean and reusable code. Currently enrolled in the University of Arizona Coding Bootcamp with a projected graduation date of December 2022. I am currently seeking an entry level developer position as I transition from my previous career as a registered nurse.

EDUCATION

Certificate, Full Stack Web Developer · University of Arizona

2022

Bachelor of Nursing · Arizona State University

2013 - 2017
